**with professional dog trainer Erica Lake**

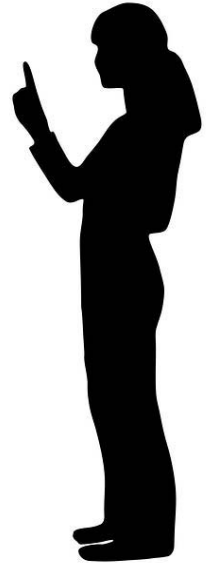

another *Friends of Hermon Dog Park* FREE "Pet Ed" seminar

**Sunday, September 25 ~ 6 p.m.**

**Under the Avenue 60 Overpass, Hermon Dog Park  
5568 Via Marisol, L.A. 90042 – at the end of the park**

Erica Lake has been training professionally in L.A. for eight years. In addition to private training, she's worked with local rescues and shelters to provide training services to rescued animals in order to increase their chances for successful adoption and reintegration into loving home environments. Training is in the everyday living. She will cover basic socialization and obedience, as well as feeding issues. You'll learn to use consistency, motivation, and feedback based on mutual respect and clear communication to help your dog become a happy, confident, and well-mannered family member.

*Dogs welcome! Just bring them early, let them run in Hermon Dog Park,  
and they'll snooze right through the seminar.*
